Dear Hiring Manager,

I am recently qualified Postgraduate in Advance Computing and would like to apply for the position at your esteemed Organisation. As you can see from my CV. I have recently graduated with a 1st class division.

I am Intelligent and focused individual who uses his intelligence to take own initiative & set high standards. Keen to pass on knowledge and skill to others. I have excellent technical skills & I am used dealing with a wide range of People. I am quick learner who is looking for opportunity to use strong technical & interpersonal skills.

I would like to meet to further discuss the chances of our working together, I am available from Monday to Saturday at your convenience.

Kind regards,

Jatav Vikash Tulsidas
